

Sand & Gravel Update (Barford Residents Association)

The team: Allan Murdoch, Malcolm Eykyn, Val Eykyn – Barford
Barbara Moore – Sherbourne, Andy Steel, Stephanie Steel - Wasperton

Most of our efforts have gone into 2 crucial areas, Fund Raising and Marketing, evidence of which you will have seen around the village and at the fun day at King George's Field. For further information, check out BRA website, (Minerals section), Barford Community Facebook page.

Competition Winners. Guess the Gravel - Liz Walker. Name the digger - Emily Cox. Many Congratulation!!!

However, running alongside this in the background is the quieter pursuance of Warwickshire County Council for information on the process and how they are proceeding within in it. They continue to be extremely evasive.... but we are not giving up! Advice from the Barrister has led to the commissioning of professional reports he considers key. In addition, we continue to plan our next steps in terms of lobbying both St John's College and the council. We have also had fruitful meetings in Wellesbourne.

Contributions have slowed down significantly and so fundraising is key.

Just a reminder, The Pig Roast and Promise Auction is this week-end, 1st July at The Memorial Hall. There are some fabulous lots and **only a few tickets left,** available from Village Shop. **Don't miss out!!!!** We know this will be a fabulous evening and bring in much needed funds.

Remember all donations, no matter how small, are hugely appreciated.

Please donate via The Village shop or by bank transfer to:
Barford Residents Association: Sort code.20-48-08: Acc no.60148113

Thank You !
